## GOOD NEIGHBOR BUILD - GOD'S LOVE IN ACTION!

*The following article is provided courtesy of Fred Weldon.*

**"Super Saturday - June 20.** Youth Week took place June 16th - 20th and St Anthony parish was up to the challenge. Some eighteen (18) students and around six (6) adults set to work on two of the houses. Michelle, did a great job in providing a solid orientation, introduction of two supervisors, and making sure safety issues were clearly covered.

As we all know, *"Rome wasn't built in a day"*, but what took place between 8:30 am and 3:30 pm was very special. The "teams" rallied with spirit, hard work and lots of fun. At the end of the Saturday shift the two houses had truly been transformed into solid dwellings.

Once noon arrived, a group from the Knights of Columbus fired up their grill and provided a bountiful lunch. Women from the church complimented the meal with great side dishes, cookies and a wide variety of beverages. Henry Wadsworth Longfellow once penned, *"Ah, to build, to build! that is the noblest of all arts."*

A visit and blessing by Father Reller and numerous photos really provided that we were truly engaged in God's work."

Thanks to those members of our parish and the Knights of Columbus who contributed time, energy, food and donations to this wonderful cause.

We hope to bring you pictures from the June 20 build day in a future bulletin.

LORD, CREATE IN OUR NEIGHBORHOOD A COMMUNITY OF JUSTICE AND PEACE WHERE YOUR WILL MAY BE DONE. AMEN
